

Business Solutions Group, LLC

Financial. Strategic. Analytical. Risk Management

Profile

The Chief Financial Officer (CFO) of any company must keep the core business of the company running while simultaneously identifying and investing in new opportunities in order for the business to stay competitive in today's ever-changing business environment. Business Solutions Group, LLC was built on this simple yet fundamental premise.

Leadership involves identifying new opportunities and maximizing them for profitability and sustainability. At Business Solutions Group, LLC, we help businesses devise and implement strategies that empower leaders to act quickly and confidently as they march ahead into a successful future.

Known for our ability to execute at a swift pace, we help clients determine clear, actionable paths to competitive agility by bringing them new thinking on business while providing accounting services, financial analysis and CFO Virtual Services.

Our ultimate goal is to create peace of mind for business owners and entrepreneurs. We do this by ensuring that your business not only remains profitable but also sustainable in the long term.

Our Vision

To become one of the world's leading companies that guarantees peace of mind for small business owners and their teams by improving the business cycle for sustainable growth based on a deep understanding of the ways the world works and lives.

Our Mission

To help our clients—businesses and business owners—and their people create the future of their dreams.

Elevator Pitch

Business Solutions Group, LLC provides accounting services, financial analysis and CFO virtual services to small and medium enterprises. Simply put, we work with you to guarantee that your business does not fall among the 66% that fail due to unsuccessful marketing initiatives, retention of an inadequate management team and lack of capital.

If you are interested in learning more about our services, we can schedule a meeting in the next week or two at your office to give you a live demonstration of how we can help your business grow, stay cost-effective and remain sustainable. Let us know if stopping by at your office works for you.
